

NYSE

Interview Packages

Share your story from the NYSE floor — powerful media that boosts brand and trust.

Here's Why it Just Makes Sense:

Enjoy unparalleled location credibility at the NYSE

Get interviewed by a seasoned financial journalist

Access ready-to-use for web, social, investor decks, & press

Available Packages:

THE STARTER

High-impact introduction for leaders seeking a credible media moment.

- NYSE floor interview filmed in a studio overlooking the trading floor
- Interview with a financial journalist
- Professional production, edited master video, digital delivery

PREMIUM

Tailored content for media, investors, and social platforms.

- Everything in the Starter Package
- Social video set: three vertical clips for LinkedIn, Instagram, TikTok
- Graphics and branding are applied for a polished look

ELITE

Maximum visibility and distribution across financial media.

- Anchor desk interview filmed at the NYSE anchor desk
- Syndication across financial news platforms, OTT, and investor hub
- Press release distribution to 150+ outlets

Every Package Includes:

- Pre-interview prep and talking points alignment
- Clean master file and social-ready formats
- Full commercial usage rights
- On-site producer, camera, lighting, and audio
- Editorial polish with lower-third and light motion graphics

This is Who it's Ideal For:

Executive Thought Leadership

Product or Platform Announcements

Public Company Major Milestones

Investor Relations Teams

Fund Launches

Here's How it Works:

- 1 Align on goals and key messages
- 2 Schedule your NYSE filming window
- 3 Record on site with our crew
- 4 Receive edited assets ready for distribution
